

MGT 1104 - Introduction to Sustainability Development

Creative Poster – Assignment Guidelines

General Guidelines:

1. Each group must consist of a maximum of 10 members.
2. The standard poster size to be used is **A0** (33.1 inches x 46.8 inches / 841 mm x 1189 mm)
3. Students are required to create the poster manually (Students are provided with the freedom of using pens, pencils, highlighters, water colours, post-it notes or any other creative item to enhance the creativity of the poster).
4. No virtually designed and printed posters will be accepted.
5. If required, students can use software such as MS Word and Canva to create a sketch of the poster highlighting the content that will be incorporated in the manual poster.
6. Students are required to submit a **clear photograph** of the poster before the deadline **(06th of July 2024)**.

Assignment Specific Guidelines/ Content Inclusions:

The assignment expects you to cover 3 focus areas:

1. A brief overview of your respective SDG

This overview must focus on the SDG selected by your group. You must highlight on what exactly your specific SDG tries to achieve at a global context and why it is important.

2. A detailed synopsis highlighting interesting facts/ tips about your respective SDG

In this section your group must focus on some interesting factors with regard to your chosen SDG. Try to portray the current global situation with regard to the progression of this SDG. Try relating to interesting cases that are relevant for your SDG. You are expected to refer and use relevant SDG related materials to compile this section.

3. A recommendations section highlighting on what potential action that can be taken with regard to achieving your respective SDG

In this section you are expected to provide a brief overview on what Sri Lanka can do to progress further in the identified SDG. The focus must be on identifying possible best practices from other countries and relating them to your chosen industry in the Sri Lankan context.
