Question No 01.

Welcome to My Hobby Exploration Page

Hobbies are a great way to relax, learn new skills, and discover more about yourself. Whether you're into outdoor adventures or indoor activities, there's always something exciting to explore. This page showcases some of my favorite hobbies and daily routines that keep me inspired and motivated.

My Favorite Hobbies

- **Hiking:** Exploring nature trails and enjoying breathtaking views.
- **Photography:** Capturing moments and creating visual stories.
- **Cooking:** Experimenting with new recipes and flavors in the kitchen.
- **Reading:** Diving into books that broaden my understanding of the world.

For those interested in learning more about these hobbies and routines, you can explore additional resources and communities online. One great place to start is [World Expeditions](#), where people share their passion for various activities.

Create a web page titled "**Welcome to My Hobby Exploration Page**" that includes the following elements:

1. **Page Title: "Discovering New Hobbies"**
